Dear [REDACTED],

As requested, enclosed please find three (3) examples of non-substantive, JPM related text communications concerning logistics. Charlie further confirms that, in the course of reviewing her texts for purposes of providing these examples, she did not find substantive business-related texts on her personal phone.

David,

Good meeting you in person the other day!

Following up on our request for examples of logistics-based texts. As previously mentioned, we request (1) 2-3 examples of JPM related texts concerning logistics (meeting times, "I'm running a few minutes late", etc.) from Charlie's personal phone, and (2) confirmation that during her review of her text messages, Charlie did not find substantive business-related texts on her personal phone.

Hoping you can provide the items requested above before the end of next week.

Let me know if you have questions.

Best,

[REDACTED]
